On the above dates, Mr. Crahan submitted to urinalysis testing, which tested positive for methamphetamine. Mr. Crahan subsequently acknowledged his drug use and signed an Admission of Drug use form. He additionally acknowledged a need for substance abuse treatment.

This is the 1st positive result since release to supervision.

I have reviewed the matter and taken the following action:

- ☒ Reprimand
- ☒ Increased frequency of testing
- ☒ Referral for professional assessment

I consulted with Assistant United States Attorney Todd Greenberg, and he does not concur with my recommendation. He believes that a summons is appropriate. I also called and left a message with defense counsel, Lance M. Hester, but to date I have not received a response.

I respectfully recommend that the Court endorse the actions taken at this time.

I swear under penalty of perjury that the foregoing is true and correct.

Executed on this 5th day of April, 2023.
